55 puan ve üzeri alan öğrenciler başarılı sayılmıştır.

Yabancı Dil Sınav sonuçları yazılı sınavın %75'i, sözlü sınavın ise %25'i alınarak oluşturulmuştur.

Açıklanan puanlar, öğrencilerin yalnızca Yabancı Dil Yeterlilik (İngilizce) Sınavı sonuçlarıdır.

Erasmus hareketliliği asil ve yedek listesi, öğrencilerin kendi E-Devlet hesapları aracılığı ile başvurularını tamamladıktan sonra açıklanacaktır.

E-Devlet (Turna Portal) başvurusu esnasında Yabancı Dil Yeterlilik sınav sonuçları baz alınacaktır.

E-Devlet (Turna Portal) başvurusu yapmayan öğrenciler, Erasmus Hareketliliğinden faydalanamayacaktır.

Students who score 55 points or higher are considered successful.

Foreign Language Exam results were calculated by taking 75% of the written exam and 25% of the oral exam.

The announced scores are only the results of the Foreign Language Proficiency (English) Exam.

The main and reserve list for Erasmus mobility will be announced after students complete their applications through their own e-Devlet accounts.

The results of the Foreign Language Proficiency Exam will be considered during the e-Devlet (Turna Portal) application process.

Students who do not apply through the e-Devlet (Turna Portal) will not be able to benefit from Erasmus mobility.
